

DDP 0208 DD Comprehensive Waiver Service Definitions

Effective 7/1/13

22. Remote Monitoring

The provision of oversight and monitoring within the residential setting of a person, thr age 18 and older, through off-site electronic surveillance by staff using one or more of the following systems: live video feed, motion sensing system, radio frequency identification, web-based monitoring system, or other device approved by the DDP. It also allows live two-way communication with the person being monitored as described in the person's plan of care.

Remote monitoring shall be done in real time, not via a recording, by awake staff at a monitoring base using the appropriate connection. When remote monitoring is being provided, the remote monitoring staff shall not have duties other than remote monitoring.

The provider of remote monitoring shall have an effective system for notifying emergency personnel such as police, fire, and back up support staff.

The individual who receives the service and each person who lives with the individual shall consent in writing after being fully informed of what remote monitoring entails. If the individual or a person who lives with the individual has a guardian, the guardian shall consent in writing. The individual's case manager shall keep a copy of each signed consent form with the individual's plan of care.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

Remote Monitoring shall only be used in supported living settings and is only used for the purpose of reducing or replacing the amount of residential habilitation needed.

The waiver will not cover activities which are otherwise available under section 110 of the Rehabilitation Act of 1973, the IDEA (20 U.S.C. 1401 et seq.), or EPSDT.

23. Remote Monitoring Equipment

The equipment used to operate systems such as live feed video, motion sensing system, radio frequency identification, web-based monitoring system, or other device approved by the DDP. It also refers to the equipment used to engage in live two-way communication with the person being monitored.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

Equipment must be leased at a maximum monthly amount of \$300. This service allows for the monthly lease of remote monitoring equipment and does not duplicate any equipment purchased under Individual Goods and Services.

The waiver will not cover activities which are otherwise available under section 110 of the Rehabilitation Act of 1973, the IDEA (20 U.S.C. 1401 et seq.), or EPSDT.
